New York

NEW YORK, July 25.—Stocks moved unevenly during the greater part of yesterday's session. Traders again exerting occasional pressure on the limited public demand, but prices hardened later, the market closing with a preponderance of gains. Sentiment was again evenly divided between favorable war news and an official Washington advice which dealt with the course of prospective tax legislation. Increasing scarcity of time funds also served to restrain long commitments.

Almost the only definite domestic news was the announcement that the next Liberty loan campaign will start the latter part of September and last three weeks. Incidentally the tax-exempt Liberty 3 $\frac{1}{2}$ bonds displayed greater firmness, approaching par, their subscription price.

Oil and Gas

The West Virginia fields are completing light wells. On Thomas run, Clay district, Monongalia county, the South Penn Oil company has drilled No. 9 on the A. L. McPeters farm into the Big Injun sand. About 10 barrels a day will be its speed. In Battelle district, the same company is due in the sand at No. 5 on the J. and A. Fox farm. In the same district, the Monongalia Valley Traction company is still fishing at 2,465 feet, at No. 3 on the W. J. Lemasters farm. In Clay district, Wood county, the Brown-Watson Oil company has completed tests on the D. J. Wise and William Buzzard farms. Both are dry holes. In the Burning Springs district, Wirt county, G. N. Grow has completed No. 91 on the Rathbone oil tract. It is not good for more than two barrels a day in the second Cow Run sand. On a part of the same tract Roberts Brothers have completed and shot in the first Cow Run sand No. 112. It will make the same kind of a pump as No. 91. J. N. Mapes is down 250 feet at No. 15 on the Rose White-cotton farm and fishing.

Of recent years a curious fad has taken root in Japan. This is the alteration by the surgeon's knife, of the shape of the eye, so that in future the Japanese will not be distinguished as one of the "almond-eyed" races. The operation is said to be simple and painless.

Watts Again Looms As Judge Candidate

Within the past forty-eight hours Attorney Ross A. Watts has sprung up very strongly as a compromise candidate for the Democratic nomination for Judge of the Intermediate court. Watts looms up especially prominently among many members of the Marion County Bar Association and it is understood that lawyers regardless of political complexion have asked Watts to stand. Attorney Watts said: "Many people have urged upon me to be a candidate for the office of Judge of the Intermediate court. I have decided to put it up squarely to my friends in the party. I have never said I would not be a candidate."
